

PVSC was looking for something fun to do in the dreary month of February. We decided to try something new and host our first painting party. We have arranged for a private room and instructor for Saturday, February 9, 2019, from 11:15 am-2:15 pm, at the Muse Paintbar, to paint portraits of our dogs. Fee is \$45 per participant. You send in the picture you want to paint. The outline will be transferred to canvas. You will be provided all the materials you need and instruction on completing your painting which you will get to take home at the end of the session. We need to have a minimum of 10 people and can have a maximum of 26. Because of the need to prepare the canvases, **registration needs to be completed and picture submitted not later than February 1, 2019**. If we cancel due to insufficient registrations, participants will not be given refunds but credits to a future event.

This should be great fun in a month where it is usually too miserable to spend much time outdoors. Beer and wine will be available for purchase. PVSC will be providing food and soft drinks to enjoy while we paint. The address of the Muse Paintbar is 2920 District Ave., Suite 100, Fairfax, VA. It is in the Mosaic District in Merrifield, VA, next to Lululemon. Free parking is available in the garage across the street from the studio and in the parking garage next to the Target. To register, go to <https://www.musepaintbar.com/events/backlit-art-76551>. To check out the Mosaic Muse Paintbar, their website is www.musepaintbar.com.

Come and create a valentine to your heart dog. Let's see who has hidden talent. If you loved finger painting in kindergarten, come see if you still have the knack for painting and the fun spirit that goes with it.
