Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The inspection committee has the authority to disallow a dog's entry into a test and, in such instances, applicable entry fees will be refunded. At roll call, all dogs will be measured by a wicket to verify handicaps. Bitches in season, lame and unfit dogs will be excused with entry refunded. Please do not bring bitches in season to the test.

Entry Fee

\$20.00 per entry per dog per test
(Includes \$3.50 AKC recording fee)

Day of Test entries are **\$25.00** for each entry, and will close 30 minutes prior to roll call at the Field Trial Secretary's table. Day of Test entries accepted as space allows. A stand-by list will be created and these dogs will be allowed to run if time permits. Entries will be acknowledged by email if legible email address is provided on entry form. Entries must be received by 6:00 PM, March 20, 2020.

Mail entries payable to SMTRC to:

Sugarloaf Mountain Terrier Racing Company
PO Box 305
Damascus, MD 20872

Entries are accepted online at sugarloafmountainracing.com. Online entries will have an additional \$0.50 processing fee added per entry.

Entries will be acknowledged by email if legible email address is provided on entry form. Those wishing confirmation must include a legible email address on their entry forms.

Conditions of Entry

Dogs must have an AKC registration number and be at least one year of age on the day of the trial. Dogs may only run once per test. One dog per entry form per test. All entries must be accompanied with a check to be valid. A returned check is not a valid entry. There will be a \$35 fee for a returned check. Entries received by phone, text, or email will not be accepted. Incomplete entries or forms without signature will not be accepted.

Fast CAT events are open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate.

At roll call, all dogs will be examined for disqualifications. Bitches known to be in season are not to be brought to the test. At inspection, bitches in season, lame and unfit dogs will be excused with entry refunded.

Hours

Grounds will be available by 7:00 AM. Roll call and exhibitor briefing begin no later than 8:30 AM. Samoyeds and Field Committee's dogs will run first in each event to free the owners to help with the rest of the event

The Trial Secretary will do his best to accommodate exhibitors with conflicts in other venues. However, exhibitors must notify the Trial Secretary of possible conflicts and must work their dog into the running order during the regular test schedule. It is also the responsibility of each entrant to make an effort to be ready when their dog is called to the line.

Trial Hours

8:30 AM for Samoyeds and Field Committee members' dogs; 9:00 AM for all other dogs until all runs are completed.

Roll Call

Morning Roll Call - 7:30 AM for Samoyeds and Field Committee members' dogs; 8:00 AM for all other entries.

Afternoon Roll Call – 30 Minutes After Conclusion of Morning Trial

Prizes

PVSC will offer a light blue flat ribbon for a passing qualifying run.

PVSC will offer a rosette and critter toy at each trial for:

- Fastest in under 12" class
- Fastest in 12" to 18" class
- Fastest in 18" or greater class – Sighthounds
- Fastest in 18" or greater class – Non-Sighthounds
- Fastest Samoyed

PVSC will have a limited number of the FCAT title rosettes available. Please notify the Trial Secretary via email or include a note with your entry form if you expect your dog to earn the FCAT rosette. If this is a multiple FCAT rosette, please notify the Trial Secretary so PVSC can have the appropriate tab attached to the rosette (e.g., FCAT 2, FCAT 3, ... FCAT 20).

What is Fast CAT?

Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced and dogs are run individually. Dogs are timed when they complete the 100-yard

dash. The time is converted to Miles Per Hour (MPH).

FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$

$\text{MPH} \times \text{HANDICAP} = \text{POINTS}$ (ROUNDED TO NEAREST 0.01)

Based on the dog's size at the withers a handicap is applied and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

MPH X HANDICAP = POINTS

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = Each additional 500 points

Top 20 by Breed by Year

The AKC Fast CAT website will feature National Rankings showing the Top 20 fastest dogs by breed for a calendar year. Rankings are determined by the average speed of a dog's top 3 runs in that year. The standings will be updated as event results are processed. Rankings are at https://www.apps.akc.org/apps/fastcat_ranking.
