Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The inspection committee has the authority to disallow a dog's entry into a test and, in such instances, applicable entry fees will be refunded. At roll call, all dogs will be measured by a wicket to verify handicaps. Bitches in season, lame and unfit dogs will be excused with entry refunded. Please do not bring bitches in season to the test.

Entry Fee

\$20.00 per entry per dog per test
(Includes \$3.50 AKC recording fee)

Checks will be deposited beginning October 1, 2018, and upon receipt thereafter. Day of Test entries are **\$25.00** for each entry, and will close 30 minutes prior to roll call at the Field Trial Secretary's table. Day of Test entries accepted as space allows. A stand-by list will be created and these dogs will be allowed to run if time permits. Entries will be acknowledged by email if legible email address is provided on entry form. Entries must be received by November 20, 2018.

Mail entries payable to PVSC to:

Janice Lynch, FTS
3406 Annandale Road, Falls Church, VA
22042

Conditions of Entry

Dogs must have an AKC registration number and be at least one year of age on the day of the trial. Dogs may only run once per test. One dog per entry form. All entries must be accompanied with a check to be valid. A returned check is not a valid entry. There will be a \$35 fee for a returned check. Entries received by phone, text, or email will not be accepted. Incomplete entries or forms without signature will not be accepted.

Fast CAT events are open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate.

At roll call, all dogs will be examined for disqualifications. Bitches known to be in season are not to be brought to the test. At inspection, bitches in season, lame and unfit dogs will be excused with entry refunded.

Hours

Grounds will be available by 8:00 AM. Roll call and exhibitor briefing begins no later than 8:30 AM. PVSC will do its best to accommodate exhibitors with conflicts in other venues, if any. However, exhibitors

must notify the Field Trial Secretary of possible conflicts and must work their dog into the running order during the regular test schedule. It is also the responsibility of each entrant to make an effort to be ready when their dog is called to the line.

Trial Hours

9:00 AM until all runs are completed.

Roll Call

Morning Roll Call - 8:30 AM

Afternoon Roll Call – 30 Minutes After Conclusion of Morning Trial

Prizes

PVSC will offer a light blue flat ribbon for a passing qualifying run.

PVSC will offer a rosette and critter toy at each trial for:

- Fastest in under 12" class
- Fastest in 12" to 18" class
- Fastest in 18" or greater class

PVSC will have a limited number of title rosettes available. Please notify the Trial Secretary, via email or include a note with your entry form, which title you expect your dog to earn to ensure that the club will have rosettes available.

What is Fast CAT?

Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced and dogs are run individually. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH).

FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$

$\text{MPH} \times \text{HANDICAP} = \text{POINTS}$ (ROUNDED TO NEAREST 0.01)

Based on the dog's size at the withers a handicap is applied and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

MPH X HANDICAP = POINTS

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points
DCAT = 500 points
FCAT = 1,000 points
FCAT# = Each additional 500 points

Top 20 by Breed by Year

The AKC Fast CAT website will feature National Rankings showing the Top 20 fastest dogs by breed for a calendar year.

Rankings are determined by the average speed of a dog's top 3 runs in that year. The standings will be updated as event results are processed. Rankings are at https://www.apps.akc.org/apps/fastcat_ranking.
